Re: Shelly Martin, et al. v. AtlantiCare, et al.
Case No. 1:10-cv-06793

Dear Judge Schneider:

We represent Defendants in the above-referenced matter. We write at the request of your judicial assistant to inform you that the parties in this matter have reached an amicable resolution of their dispute, and have executed the attached Stipulation of Dismissal With Prejudice ("Stipulation").

As you know, in addition to the Complaint filed in this action, the Plaintiffs individually filed Verified Complaints with the New Jersey Division on Civil Rights ("DCR") in June 2012. The DCR has facilitated settlement negotiations between the parties. On August 27, 2012, we spoke with Plaintiffs' counsel of record, Brian Dratch, and received his permission to negotiate the terms of a settlement through the assistance of the representatives at the DCR's Atlantic City office.

On August 28, the parties executed settlement agreements which included an agreement by Plaintiffs to execute the attached Stipulation with respect to this action, in addition to withdrawing their complaints pending before the DCR.
